Machine Settings for Tournaments

Instructions: Set machines to the settings in the Desired Setting column. Record the original setting in the Original column. Record the New setting in the Set for Tournament column. Upon completion of the tournament, reset settings to those in the Original Setting column and check the box in Reset to Original. This ensures the settings are returned to the owner or operator's preference. Not all settings may directly match the Setting Name, or be applicable to all game manufacturers.

Machine:

Setting Name/Desc	Desired Setting		Original Setting	Set for Tournament	Reset to Original
Extra Balls	Off				☐
Tournament Mode	On				☐
Number of Balls	3				☐
Special	Points				☐
Buy-In / Continues	Off				☐
Game Restart	Off				☐
Tilt Warnings	2				☐
Flipper AutoLaunch	Off				☐
Timed AutoLaunch	Off				☐
Lost Ball Recovery[1]	Off				☐
Coin Door Ball Saver[1]	On				☐
Coin Door Disable Tilt[1]	On				☐
Free Play	Off	On			☐
Matches	Off	n/a			☐
Replay Levels / Score = Free Games	Off	n/a			☐
Settings in Red	Depends on location and format. For Coin Drop tournaments, turn off matches and replays for score levels/high scores. If Free play tournament, no need to change these.				
High-Voltage Off/On	Not a setting, confirm if flippers work with coin door open, and test coin-door ball saver if applicable – helps with malfunctions when coin-door has to be opened.			Off ☐ On ☐
